INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

Intellectual and Developmental Disabilities (IDD) is a peer reviewed multidisciplinary journal of policy, practices, and perspectives. Since 1963, IDD has provided a forum for the dissemination of rigorously reviewed, actionable information that is relevant to emerging policies, innovative practices, and transformative concepts. As a journal with an applied focus, IDD has dedicated itself to the needs of researchers, clinicians, students, policymakers, and other professionals interested in intellectual disability and related developmental disabilities.
