JOURNAL OF FORENSIC ECONOMICS

The *Journal of Forensic Economics (JFE)* is an academic refereed journal. Articles have content within forensic economics, the scientific discipline that applies economic theories and methods to the issue of pecuniary damages as specified by case law and legislative codes. The *JFE* is a publication of the National Association of Forensic Economics. Topics within the *JFE* include (1) the analysis of claims involving persons, workers, firms, or markets for evidence concerning damage liability; (2) the calculation of damages in personal and commercial litigation; and (3) the development and use of generally accepted forensic economic methodologies and principles. Subscribers to the *JFE* include economists, attorneys, accountants, vocational specialists, and university libraries.
